Honoring
Jackson County's
Graduating
High School
Seniors

❖ What is the Explosion of Excellence? ❖

Explosion of Excellence is a program jointly sponsored by the Jackson County Chamber of Commerce, Ocean Springs Chamber of Commerce, Mississippi Gulf Coast Community College and all high schools in Jackson County.

It is an honors program to recognize the academic achievements of the graduating high school seniors who are in the top 10% of their classes.

“My wife and I consider the Explosion of Excellence one of Jackson County’s premier events involving individuals, the business community and our area’s high schools.”

Mr. and Mrs. Jerry St. Pe’, Gautier, MS

❖ How are the students honored? ❖

An honors and recognition program will be held Tuesday, May 1, 2012, at the Mississippi Gulf Coast Community College in Gautier.

During the ceremonies, each student is individually recognized and presented a certificate marking their academic accomplishments.

Individual \$250 book scholarships are awarded to as many students as the scholarship fund will allow. In the event the scholarship fund does not have enough money to award a book scholarship to every student, a random draw is used to select the scholarship recipients. Founders and Memorial Scholarships in the amount of \$1,000 are given using a random draw process.

“I’ve chaired the Explosion of Excellence for all of its 22 years. This program brings our communities and graduates together, recognizes their academic achievements, and gives the business community an opportunity to show appreciation to the seniors.”

Mrs. Pat Descher, Chairman, Explosion of Excellence 2012

❖ How can you help honor our students? ❖

You can help honor our students by making a \$250 tax-exempt contribution to Explosion of Excellence. To ensure that all students receive a book scholarship, the program must raise \$42,500. A \$250 book scholarship will help students, many of whom need financial assistance.

Your contribution is 100% tax deductible as a charitable contribution.
